

Rockaway Peninsula Petition for Permanent Storm Protection 5-Year Anniversary

PETITION SUMMARY AND BACKGROUND	The Rockaway Peninsula Petition for Permanent Storm Protection is being initiated for the 5-Year anniversary of Hurricane Sandy. Five years ago, Hurricane Sandy caused community devastation, bodily harm and property damage. Lives were lost, enormous mental and physical casualties occurred, families were displaced and essential services destroyed (Hospital, Police, Fire, EMS, Social Services, Schools, Religious Centers, Utilities and Communications).
ACTION PETITIONED FOR	We, the undersigned citizens demand that our government leaders obtain the necessary storm protection for the Rockaway Peninsula, i.e., Permanent Berms, Rock Jetties, Storm Walls, Bulkhead Construction, Reefs & Sand Replenishment. <i>These solutions are past due and require immediate approval, funding and implementation.</i>
